ATELLIER

Contemporary material meets the heritage coming from the stone surface treatment tradition.

Sand blasting, brushing, hammering, carving and engraving all skillfully blended together to complete the offering of Veneer World with a touch of preciousness and elegance.

INDIANA SALEM

Atelier is designed to be used in every vertical application, from small walls and backsplashes to façades, both indoor and outdoor, to give unique personality to every project where special attention is needed.

PROJECT

WALL DESIGN
Veneer World Atelier Groove S Grey Select - 12"x24"
FLOOR DESIGN
Spirit Old Maple - 12"x48"

ATELIER GROOVE L Indiana Grey Select

Same scratched finish as Groove S, but with a larger gap among scratches, that elevates natural inspiration through an innovative technology to create a simple and elegant decoration.

ATELIER
GROOVE S
Indiana
Grey
Select

Scratched finish that blends the elegance of natural stone with a 3D surface effect. The brushed and hammered embossed texture creates special plays of light and shadow, along with surface scratches, enhancing the decorative added value of the product.

- 12"x24"

ATELIER DYNAMIC Indiana Buff Select

Elaborated finish with multiple geometries on the surface, able to offer a contemporary solution that reserves the natural touch of the stone, characterized by micro lines running along the undulating dunes of the surface.
