Andrea

The Andrea collection brings European white oak to life in two wide-plank, wire-brushed expressions. Banda is a 10-1/4" natural-grade plank in a warm, copper-kissed light brown, wire-brushed and fine sawn under a low-sheen matte UV urethane. Bologna is an 8-5/8" rustic select plank in a rich tobacco tone with a UV oil finish. Both are 5/8" engineered planks with a 4 mm oak wear layer that can be refinished down the line, in lengths of mostly 86-1/2". Each can also be milled to match in herringbone or chevron for entries and dining rooms.

FORMATS	8-5/8x86-1/2, 10-1/4x86-1/2
