PRODUCT DESCRIPTION

Calacatta Venus, a luxurious natural stone celebrated for its dramatic, sweeping veining and luminous white background. This collection embodies timeless elegance with bold, gray and gold movements that create a striking visual impact in any application. Ideal for statement countertops, elegant waterfall islands, and refined wall cladding, Calacatta Venus transforms kitchens, baths, and commercial spaces into works of art. Each slab is uniquely veined, ensuring a one-of-a-kind installation of supreme sophistication.
