HONED

SIZES

- 8" x 12" Honed

PRODUCT DESCRIPTION

The Dunes series of elongated dimensional subway tiles, are sculpted with an offset angled surface, forming a flow of connected ridges reminiscent of wind-swept sand dunes. The tapering trapezoid relief dances across the wall surface, creating shadows while remaining contemporary and clean. Each color's surface softens its geometric design, creating a marble-like finish.

APPLICATIONS

Kitchen counters, vanities tops, reception areas, living room floors, cabinetry, patios, pathways, outdoor kitchen floor coverings, commercial properties
