### PRODUCT DESCRIPTION

The River Run Collection embodies timeless elegance through meticulous design. Featuring a substantial 5/8" thick engineered construction with a generous 7-1/2" width, each plank is built to last. Its authentic 4mm hardwood top layer is finished with a durable UV lacquer to enhance the natural grain and character. Offered in four distinct colorways, the collection is crafted with state-of-the-art precision and careful selection, delivering unique, high-quality floors designed to bring enduring beauty and peace of mind to your home.
