

Viola

Honed marble · White base with purple and grey veining

Viola

HONED MARBLE

Viola is a dramatic, high-variation marble with a white base and bold veining in purple and grey. A honed finish softens the stone's natural drama into something refined, ideal for statement walls, bathrooms, kitchens and living spaces.

Available in three field tile sizes, with picket, hexagon and herringbone mosaics and a matching pencil trim, so formats can be mixed to create distinctive layouts.
